

**MICHIGAN DEPARTMENT OF CIVIL SERVICE
JOB SPECIFICATION**

TRANSPORTATION PLANNING MANAGER

JOB DESCRIPTION

Employees in this job direct the work of professional staff in a transportation planning program. The work requires thorough knowledge of the regulations, rules, policies and procedures pertaining to specialized areas of transportation planning and knowledge of supervisory techniques and personnel policies and procedures. The employee, under general supervision, works within general methods and procedures and exercises considerable independent judgment to adapt and apply the guidelines to specific situations, as needed.

There are two classifications in this job. The classification level is determined by the application of the Professional Managerial Position Evaluation System.

Position Code Title – Transportation Planning Manager-3

Transportation Planning Manager 14

The employee functions as a first-line professional manager of professional positions in a complex work area, as a first-line professional manager of professional positions in a standard work area receiving executive direction, a second-line professional manager of professional positions in a standard work area, a first-line manager of a professional position in a complex work area receiving executive direction, or a first-line professional manager of nonprofessional positions in a complex work area receiving executive direction.

Position Code Title – Transportation Planning Manager-4

Transportation Planning Manager 15

The employee functions as a first-line professional manager of professional positions in a complex work area receiving executive direction, a second-line professional manager of professional positions in a complex work area, a second-line manager of professional positions in a standard work area receiving executive direction, or a third-line professional manager of professional positions in a standard work area.
